Draft Mock-up of Site [slides with asterisk have VIEW FINANCING DETAILS PAGE]

A. Asset Financier Pages

1. Details on AF Rebate Workflow and Disbursements Slide 10
2. Submission Page: Rebates Based on AF Determination of Financial Need* Slides 11-12
3. Page for Marketing Staff and Agents to Submit Rebate Proposals* Slide 13-14
4. Status Page* Slides 15-16
5. AF Status of Individual E-Moto Possession Page* Slides 17-18
6. AF Notification of Change of E-Moto to New Client* Slides 19-20
7. E-Moto Rebate Scheme Background Info Slide 21

B. RGF Pages

1. RGF Rebate Team Pipeline Status Page Slide 23
2. RGF Rebate Team Verification Page Slide 24
3. RGF Rebate Reassignment Verification Pages Slides 25 - 26
4. RGF Quality Assurance Team Review Pages* Slides 28-29
5. RGF Report Requesting CFO Disbursement Approval Slide 30
6. Weekly Disbursement Approval Reports sent to Asset Financiers Slide 31
7. Finance Tracking Page [to be discussed] Slides 33-38

C. Profile Setting & Controls [to be discussed] Slide 39-42

Not included: Admin Page (change text, permissions, etc), Notification Page, graphs, default reports and filters for audits and target tracking (given limited time, RGF may delay graphs until after launch)

Key Changes in Process and Resulting Specifications

1) Simplified approach

- No API required
- Streamlined AF submission of info and documents: Lease, Individual Affidavit, AF Attestation of Individual Finance Need, AF attestation of e-moto possession, National ID, License, other AF documents
- RGF Rebate Team investigates any issues using **Rebate System notifications (email)** and E-Moto Quality Assurance Team is accountable **for final check and CFO disbursement request**
 - No separate investigation by M&E (so no reference number)

2) Changes in Approval Structure and added CFO Weekly Request for Authorized Rebate Disbursements

- AF authorized individuals submit signed leases with rebate amounts to RGF (in alignment with RGF criteria and rebate guidelines)
- Rebate Analyst and Manager check and recommend to QA Team
- Weekly QA Team meeting to verify
- Weekly same day CFO review and approval

3) Added page for RGF to change data fields

4) AF has permission page to add permissions for (a) RGF submission with signed leases and (b) enable staff and agents to request rebates of designated AF decision-makers

- An agent may have multiple AF affiliations (e.g., Bboxx may include an agent on its permission page that might also be included in Jali and/or Watu permission pages) so one agent might be listed under the permission pages of multiple AFs **[confirm controls not to issue suplicative rebates and how duplicative requests will be RED FLAGGED or eliminated with note back to second AF that a rebate has already been issued]**

5) RGF Tracks Approved Rebates against Bank Statements

- Each Application will have a ticket number to enable tracking and alignment with each AF's rebate bank statements

6) Ability for RGF and AF to change lease details in database (e.g., provider, brand, amount of e-moto cost, change/add documents, etc.)

7) Ability to upload bank statements of AFs

8) SMS Notification capacity programmed likely to be programmed after Launch

- If so, Profile page has control to silent SMS notifications

9) Defined rebate percentages to be integrated into rebate amounts: 18% for men for new e-motos; 20% for men for retrofits; 25% for women (new e-motos and retrofits)

Same Specifications

- 1) Applications only sent to RGF if all mandatory data fields and documents are included
 - On each Application Page, if mandatory document or data field is missing, a pop-up box states *“Missing XXX, YY, etc. Please fill in and hit ‘SUBMIT’ again”*
- 2) Database has all submitted documents in separate files for each type of document enabling easy access for RGF management and audits
- 3) Reports can be created; includes ability to use multiple filters (pipeline status AF, women, retrofits, e-motos in possession or not, etc.)
- 5) Same notifications (to discuss if before or after Launch)
 - List of communications by e-mail
 - Pop-Up Box if there is a new notification (or notifications) alerting user to go to notifications and open the message
- 6) RGF has ability to change market participants (e.g., add Asset Financiers, add e-moto providers, etc.)
- 7) Same RGF permissions (for convenience, pasted into next slide)
- 8) Ability for all parties to change info, delete, and add files (even after submitted to RGF)
- 9) Avoid duplicative rebates

RGF Access Permissions

Roles	Levels of Permissions	Rationales
Rebate Team (up to 4)		
1) Rebate Analyst (and designated back-up)	- Inputs verification status of documentation for each lease - Inputs results of weekly lease review meeting of Quality Assurance Team - Can change AF data field for a rebate that has been submitted to RGF (but not approved for disbursement) - Not able to change text on pages	Not decision maker
2) Rebate Manager (back-up is GlobalDF Rebate Consultant and Executive Director)	- All same permissions as above - Added permission of being able to make changes on text pages, change templates for downloads (i.e., CLICK HERE)	In charge of Rebate Scheme
E-Moto Quality Assurance Team (5 - 8 total)		
(1) E-Moto Program Manager (and back-up)	- Able to make all changes on text pages and links - Can access all information	In charge of Program
(2) Finance Officers (2)	Can access all information	Member of QA Team
(3) M&E person (and back-up)	Can access all information	Member of QA Team
(4) Gender Specialist (and back-up)	Can access all information	Member of QA Team
External reviewers	Review only	Senior Management, M&E, and Auditing requirements

AF Access Permissions

AF Roles	Levels of Permissions	Rationales
1) Staff (decision makers on lease decisions)	• Able to add lease applications and submit to RGF • Able to access information on ALL leases	AF decision maker
2) Marketing Staff & Agents (not decision makers on leases)	• Able to add lease applications • Only able to access information on leases he/she has submitted	Not AF decision maker
3) External reviewers	Review only	Senior Management, M&E, and Auditing requirements

Workflow for Rebate Scheme

1. Rebate Scheme integrated into Asset Financier Processes

- Expand business with new clients who cannot afford an e-moto downpayment/principal payments

RGF Rebate Manager provides support to AFs in alignment of marketing, training, and setting up processes

2. AF receives Advance Funding & Criteria (EUR 10 – 40k)

- AF submits Expression of Interest and signs Master Rebate Agreement with RGF
- RGF advances funding into designated Rebate Bank Account
- Amount depends on AF Projections (at 30% balance can request another deposit)
- AF uses RGF criteria to allocate rebates for individuals with financial needs to acquire an e-moto
 - Men for new e-motos: 18% of retail e-moto cost
 - Men for retrofit of their ICE-motos: 20% of retrofit cost
 - Women for new or retrofit e-motos: 25% of retail e-moto cost

3. AF integrates rebate into leasing decisions (on-Line submissions to RGF)

- AF determines individuals that need rebates to meet its lease/loan criteria
- AF uses on-line rebate system to submit documents to RGF
 - Lease info: National ID, moto license, signed lease
 - Rebate documents: Notarized Rebate Affidavit signed by client and if retrofit that engine can be disposed of; AF attestation that client could not attain a lease/loan without rebate and confirmation Individual has possession of e-moto

4. RGF verifies AF rebate submissions and confirms rebates

Ongoing Monitoring by RGF

- RGF Rebate Team checks the documentation for each rebate
- RGF Rebate Quality Assurance Team conducts weekly reviews and submits to CFO for disbursement authorization
- RGF Finance checks CFO approved rebate disbursements for each lease against the AF bank statements on weekly basis

5. AFs expand their business & individuals benefit from rebate reducing e-moto cost

Governed by Master Agreement between RGF and Authorized Asset Financier specifying requirements, process, payments (advances funding for individuals in possession of e-moto)

New Workplan Schedule

	June 24	June 29 – July 24	July 24 – July 30	September Launch
1. RGF <u>Finalization of new specs</u> – final confirmed process and document requirements	X			
2. <u>Three weeks for IT Programming</u> (weekly RGF meetings) -System resident on stable server with back-up power		July 24 completed		
Weekly meetings		July 6 July 13 July 20		
3. <u>RGF Provision of final documents reviewed by RGF legal</u> (e.g., Affidavit, Template, etc)		July 24 completed		
4. <u>Testing by new RGF staff and GlobalDE</u> - Internal Testing - Beta testing with AFs (at least one pilot AF)			Internal: July 24-29 Pilot: July 30-August 6	
5. <u>Operational for Launch</u> -Master Agreements signed -RGF has wired approved Advance Funds to Approved AFs (who have signed Master agreement)				September

DRAFT REVISED MOCKUPS FOR INPUT

A. ASSET FINANCIER SECTION

Pages:

- 1) Flowchart for Process and Rebate Disbursements
- 2) AF Submission Page of Rebates for RGF Checking and Disbursement Approval
 - View Details of Each Lease
- 3) AF Marketing Staff and Agent Submission Page for Internal Financing Approval
 - View Details of Each Lease
- 4) AF Rebate Status Page
 - View Details of Each Lease
- 5) AF submission of Individual Possession (for financing that is delayed due to lack of e-moto supply)
- 6) **AF Change in Client Benefiting from Rebate**
- 7) E-Moto Rebate Background Page

Details on AF Rebate Workflow and Disbursements

1. Asset Financier Receives Advance Funds

- AF submits **expression of interest** in rebate scheme, signs **Master Agreement**, and provides rebate **projections**
- **RGF deposits between EUR 10 - 40k of advance rebate funds** in designated AF rebate bank account (BK, I&M, Equity)

2. AF determines who can submit rebate information to RGF with signed e-moto financing agreements

- 1) **AF obtains LOGIN info for on-line Rebate Management System and designates permissions for RGF rebate submissions**
- 2) **Two levels of permissions:**
 - Finance Staff authorized to submit rebates directly to RGF with signed e-moto financing agreements
 - Marketing staff and agents authorized to submit rebates proposals to AF Finance Staff (at same time as lease applications)

RGF provides rebate orientation for designated staff and agents

3. AF determines financial needs & submits rebate documentation to RGF for checking

Submission requirements

- **Additionality:** In conducting due diligence, AFs determine which financing applicants require a rebate to qualify for their financing
- **Provide Details:** Name, Gender, DOB, phone number, e-mail (optional), National ID number, license number
- **Provide rebate documentation**
 - Signed Finance
 - Individual Affidavit of Financial Need (notarized)
 - AF confirmation of Financial Need
 - AF/Client confirmation individual has possession of e-moto
 - IF RETROFIT: ICE-Moto Engine Disposal Agreement

4. RGF CFO Authorizes AF Disbursements

- 1) RGF Rebate Team checks all submitted information and documentation
 - Contacts AF to resolve any issues
- 2) Weekly meetings of RGF Quality Assurance Team to confirm approval and request CFO disbursement authorization
- 3) RGF notifies AF with Weekly Disbursement Authorization Report for AF to disburse approved rebate amounts from Rebate bank account
- 4) RGF Finance reconciles rebate approvals and disbursement (submitted rebates for each lease on the rebate system with the AF bank statements breakout of rebate disbursements)

NOTE: If e-moto not available due to lack of supply, AF waits until individual has possession to disburse from Rebate Bank Account

AF Submission Page of Rebates for RGF Checking and Disbursement Approval

- This page is for the main page for AF decision makers of financing agreements to submit rebate proposals for RGF approval. [AF inputs into Rebate System the names of its finance decision makers who can access this page and submit to RGF.]
- Please input the requested information and upload the financing documents (e.g., signed lease, national ID, DOB, phone, email if available, moto license, any other supporting documents).
- Please upload the required agreements for the rebate (NOTARIZED Individual Affidavit of Financial Need, AF confirmation of Financial Need, AF/Client Confirmation of E-Moto Possession.
- If the client is financing a retrofit, please submit their signed agreement to dispose of the ICE-moto engine.

- Asset Financier Submission Page for RGF Approval
- Marketing Page for staff and agents to propose AF Rebates
- Rebate Status Page
- Confirmation of E-Moto Possession [to authorize bank disbursements]
- AF Notification of Change of E-Moto to New Client
- Notifications [emails if RGF has questions]
- Background Info on Rebate Scheme

Supporting Documents [mandatory documents have asterisk]

National ID*	AF/Client Confirmation of E-Moto Possession*
Motorcycle License”	Mobile Money Statements (optional)
AF Attestation for Financial Need for E-Moto*	Retrofit Agreement (optional)
Notarized Individual Affidavit*	

1. What is an E-Moto Rebate?

RGF will pay a percent of the price of the e-moto cost directly to the Asset Financier providing the e-moto. The rebate reduces the amount owed on the lease or loan.

2. How much is the e-moto rebate?

New e-motos:

Men – 18% of the retail cost of the e-moto

Women - 25% of the retail cost of the e-moto

Retrofits

Men - 20% of the retrofit cost of the ICE-moto to an e-moto

Women – 25% of the retrofit cost of the ICE-moto to an e-moto

2. What is eligibility criteria?

- The rebates are available to individuals who need financial support to lease or buy a new e-moto from an authorized Asset Financier or e-moto company retrofitting ICE-motos to e-motos.*
- The individual must have a signed financing agreement with an Asset Financier.*
- The individual and the Asset Financier must attest to the individual's financial need and use of the e-moto for income generation.*
- There is only one rebate per individual.*
- Applicants cannot already own an e-moto.*

3. What documents are required for RGF to provide the e-moto rebate?

- Signed financing agreement with Asset Financier*
- Asset Financier statement that the individual requires a rebate in order qualify for financing*
- Notarized signed Affidavit by individual attesting to financial need and use of the e-moto for income generation*
- National ID*
- Motorcycle License issued by RNP*

4. Retrofit my ICE-moto: What do I need to apply if I want to retrofit my ICE-moto to an e-moto?

You need to submit the above information and documents. In addition, the individual needs to sign a document stating that he/she agrees to give his/her ICE-moto engine to the retrofitting e-moto company for disposal.

5. What happens after submitting the above information and documents Rebate Application to the Asset Financier? *The Asset Financier will review the submitted information and documents and decide if the individual qualifies for the rebate and AF financing or not. If the Asset Financier accepts the e-moto financing proposal and agrees that financial support is needed, the rebate amount will be deducted from the individual's payment for the e-moto.*

**2. Review of RGF E-Moto
Quality Assurance Team and
CFO Weekly Rebate
Disbursement Authorization**

RGF Quality Assurance Team: Review Page

- The QA Team is accountable for checking the rebates, formulating solutions to any issues, and submitting Weekly Rebate Disbursement Request to CFO at the end of each weekly meeting for next day decision.
- This page is used for the Rebate Team to (1) present the rebates and issues to the QA Team in their weekly meetings for their review and decisions; (2) recording the decision of the QA Team review and rebates to be included in the Weekly Rebate Disbursement Request to the CFO; (3) immediately thereafter providing the CFO the Weekly Report for his review and approval by the end of the next business day; and (4) disseminating the CFO approvals to the AF on the same day as approval.

ADDITIONAL PROCESS SLIDES FOR FEEDBACK

Rationale for New Process – Market Requirements for Awarding Leases

- Drastic undersupply of e-motos since Fourth Quarter 2025
 - Example: Over 200 approved leases with downpayments who are waiting for e-motos for two weeks+
- Cannot award a lease absent a guaranteed downpayment
 - Requirement for received cash downpayments to be able to purchase e-motos (e-moto providers required cash on delivery)

RESULT: Require upfront rebate funds that can be provided for approved rebates at AF level

Process for Determining Size of Advance Rebate
